

***Quarterly Acknowledgment of the Bankruptcy
Assistance Center (BAC) Volunteer Attorneys from Judge
S. Martin Teel, Jr.***

Fourth Quarter, 2015

On behalf of the Court, I express the Court's appreciation to:

Felicia Battista, Esq.,
Aikaterini Callahan, Esq.,
Suvita Melehy, Esq.,
Wayne Moore, Esq.,
Jeffrey Sherman, Esq.,
Markisha Tindall, Esq., and
Natalie Walker, Esq.

for volunteering their time and legal expertise to the Bankruptcy Assistance Center. The Center opened its doors in September 2013, and would not have become the success it is today without the services of these attorneys guiding customers through the many complexities in the world of bankruptcy. Their services have conferred a benefit not only on the assisted individuals but on the Court as well because bankruptcy cases entail less work for the Clerk's Office and Chambers when a pro se filer has had legal assistance.
