

***Quarterly Acknowledgment of the Bankruptcy  
Assistance Center (BAC) Volunteer Attorneys from Judge  
S. Martin Teel, Jr.  
Second Quarter, 2019***

On behalf of the Court, I express the Court's appreciation to:

Noah Baer, Esq.,  
Felicia Battista, Esq.,  
Nepolina Chhetri, Esq.,  
Joshua Greene, Esq.,  
Patricia Jayne, Esq.,  
Leslie David Miller, Esq.,  
Virginia Robbins, Esq.,  
Michael Semler, Esq., and  
Jeffrey Sherman, Esq.

for volunteering their time and legal expertise to the Bankruptcy Assistance Center. The Center opened its doors in September 2013, and would not have become the success it is today without the services of these attorneys guiding customers through the many complexities in the world of bankruptcy. Their services have conferred a benefit not only on the assisted individuals but on the Court as well because bankruptcy cases entail less work for the Clerk's Office and Chambers when a pro se filer has had legal assistance.

Court for the District of Columbia
