**Notice to Those Using eSR Regarding Certain Items of Income  
Connected to a Member of the Uniformed Services:**

Due to a recently enacted statute, paragraph 9 of each of Official Forms 122A-1, 122B, and 122C-1 has been revised to read:

9. Pension or retirement income. Do not include any amount received that was a benefit under the Social Security Act. Also, except as stated in the next sentence, do not include any compensation, pension, pay, annuity, or allowance paid by the United States Government in connection with a disability, combat-related injury or disability, or death of a member of the uniformed services. If you received any retired pay paid under chapter 61 of title 10, then include that pay only to the extent that it does not exceed the amount of retired pay to which you would otherwise be entitled if retired under any provision of title 10 other than chapter 61 of that title.

We have not yet revised eSR to include the modified Official Forms 122A-1, 122B, and 122C-1 reflecting that change. **You should complete line 9 of the pertinent Official Form 122A-1, 122B, and 122C-1 you fill out in eSR by following that new language quoted above** (even though it does not appear on the old version of the Official Form appearing in eSR). If you have any questions, contact the Clerk's Office at 202-354-3281.
